**Dear Wine Lover,**

At first glance, MASH might seem like a restaurant where the food is all-important - and we do take our steaks very seriously. However, at heart, we are all wine lovers of the highest order. In addition, over the years we have found that a steakhouse is the perfect setting to enjoy a good bottle of wine, as the food is not overly complicated, atmosphere is friendly and the conversation eye-to-eye. In our wine lists, we strive to present good options for everyone's palate (and wallet). With that said, we aspire to have the best selection of American wines outside of the States. We believe that great wine is meant to be enjoyed amongst friends and not collecting dust while getting nostalgic glances in some sad trophy cellar. Please do not hesitate to ask one of our sommeliers to guide you through the selection or answer any questions or suggestions you might have.
